

PractiCare

PractiCare is an organization dedicated to providing medical and pre-medical students with the best experience in developing their clinical skills. Our main purpose is to strengthen the skills of future health professionals and prepare them with the best support. At PractiCare we have two essential areas: 1. CSK mentoring opportunities 2. Educational Impact: Educational talks to universities and colleges.

PractiCare una organización dedicada a brindar a estudiantes de medicina y pre-medicina la mejor experiencia en el desarrollo de sus habilidades clínicas. Nuestro propósito principal es fortalecer las destrezas de los futuros profesionales de la salud y prepararlos con el mejor apoyo. En PractiCare tenemos dos áreas esenciales: 1. Oportunidades de tutorías de CSK 2. Impacto Educativo: Charlas educativas a universidades y a escuelas superiores
