

Student Interest Group in Neurology (SIGN) UCC

SIGN UCC is a student chapter affiliated with the American Academy of Neurology. Its aim is to promote interest in Neurology through education, mentorship, and community service, while supporting students exploring careers in Neurology or Neuroscience-related disciplines.

SIGN UCC es un capítulo estudiantil afiliado al “American Academy of Neurology”. Su objetivo es promover el interés en la neurología a través de la educación, la tutoría y el servicio comunitario, al mismo tiempo que apoya a los estudiantes que exploran carreras en neurología o disciplinas relacionadas con la neurociencia.
