

The Pediatric Interest Group

The Pediatric Interest Group at UCC serves as a link for aspiring pediatricians with community outreach opportunities as well as networking opportunities by having multidisciplinary lectures within the pediatric world. Our group is bounded by a passion for educating, serving and advocating for the pediatric population.

El Grupo de Interés Pediátrico de la UCC sirve como vínculo para los aspirantes a pediatras, con oportunidades de extensión comunitaria y oportunidades de establecer contactos mediante conferencias multidisciplinarias dentro del mundo pediátrico. Nuestro grupo está unido por la pasión por educar, servir y defender a la población pediátrica.
